Intelligence Community Staff

DCI/IC 75-0318

Mr. William R. Harris
Commission on the Organization of the
Government for the Conduct of Foreign Policy
2025 M Street, N. W.
Washington, D. C. 20506

Dear Bill:

Thank you for sending over the draft all source paper. It is a good compilation and one which I am sure will have many uses.

The attached material provides some answers to your request of 13 February 1975. However, one particular subject needs more explanation. As I understand it, you would like to have a list of lost or compromised collection efforts through press disclosure. Unfortunately, the USIB Security Committee does not have material which would satisfy your request. Some work was done by CIA in 1972 to establish a leak data base but its records consist of submissions or notices of possible unauthorized disclosure prepared by CIA operational components. The concept was never extended through the community. As things now stand each USIB Principal is responsible for investigating any unauthorized disclosure within his department or agency.

This letter may be downgraded
to UNCLASSIFIED upon removal of
Attachment a. (SECRET).
